## **MPN Wins Support of Neurocam International**

Dear Sir/Madam:

As a duly appointed representative of Neurocam International, I am taking the opportunity to voice the support of the entire Neurocam family for your operation. In the contemporary age of sexual repression, NI supports groups like MoPornNorthampton which seek to expose anti-sex reactionaries for the busybodies and blowhards that they are. NI has observed a number of groups internationally in this regard and found you worth of their support.

Sincerely,  
Ulysses Lazarus  
Operative  
Neurocam International

We're pretty sure we're extremely flattered.
